FOCUS: ON THE BENEFITS OF THE LORD in the Word, every day, every month, In what the Spirit Speaks to our hearts and may we do as David said in Psalm 103, “...forget not all His benefits.” And we must learn to believe what He said.

We must abide in the Word of God to know what the Lord said and to learn of His benefits. When we reflect on His goodness, remaining in His promises and when we remind ourselves of all His benefits, we will find ourselves dwelling in His presence, fully present and resting in the shadow of the covering of the Almighty. We will be protected because we believe in God and trust His better word over all other voices in our ears. This is HOW we stand firm!
